

PAULA CREAMER
2010 U.S. Women's Open Champion

I LIKE TO WEAR PINK WHEN I'M PROVING YOU WRONG.

Don't mistake my image for vanity. I'm not looking for makeup contracts or movie deals. I want wins. And so far I've got nine of them — including the 2010 U.S. Women's Open. But I'm not done yet. There's another Women's Open in my sights.

And if you want to keep track this time, I'll be the one wearing pink.
