

Welcome to our 2010 issue of **Golf Now! Chicago** and to an exciting new decade. Looking ahead to a great golf season this year, dive right in and read about **KemperSports**---a strong player in the golf course management scene making a difference in golf today. Celebrating a milestone this year, KemperSports has been providing Chicago golfers with premier courses and a first-class golf experience for 30 years.

A new addition to the KemperSports family of premier golf courses is the **Golf Club at Harbor Shores** in Benton Harbor, Michigan---a Jack Nicklaus inspired Beach and Golf Community. Within 100 miles east of Chicago, you can tee it up on the shores of Lake Michigan this summer, when all 18 of the spectacular holes will be open for play.
