Enjoy the major makeover of this 90-acre gem located in the Northwest suburbs.

**B**oasting its rich tradition as a beloved home course for generations of golfers since 1979, an extensive renovation reduced bunkers, expanded greens, added continuous cart paths, modernized banquet rooms, and a new relaxing outdoor patio area in 2016 completed a major makeover of this 90-acre gem located in the Northwest suburbs.

The new ALGC's innovative 3 and 6 hole options garnered praise from the ASGCA, and now truly offers something for every golfer. The remodeled Clubhouse also offers the perfect location for business meetings, outings, showers and parties in a 115 seat banquet room.

Smaller group events for up to 70 are also easily accommodated within a serene and relaxing atmosphere. If you're looking for a quaint yet modern banquet facility with a

picturesque view, an attentive staff committed to making your event both easy and stress free, then you should look no further. Arlington Lakes is where affordable rates and friendly service combine to simplify your party planning experience.

The Arlington Heights Park District also operates Nickol Knoll Golf Club offering some of the best city skyline vistas in the area. This course is one of the best par three executive courses in the Chicagoland area and is the proud home to Chicago Bears legend "Walter Payton's Hill." And, if you're looking to fine tune your game or seeking PGA instruction, the Sunset Meadows driving range and golf learning center is ready to help you 'up' your game.
