# Letter from the Mayor

"The unique community spirit of Crown Point remains rooted in our dedication to preserving our history, celebrating everyday life, providing the best in city services, and encouraging growth. People come here to raise their families and continue to emphasize family as the most important aspect of life. Businesses that choose to come to this City receive a warm reception and a willingness from its citizens to help them succeed. This cooperative effort defines what it is to **Build a Stronger Community from Within**. Named **'Best Downtown in the Region'** for two years running, our city is an ideal place to visit, work, or raise a family. Our residents and guests can enjoy lush golf courses, such as **White Hawk** and **Summertree**, award-winning restaurants, unparalleled shopping experiences, and year-round events."
