Designed by architect Jerry Matthews in the mid 1990s, **Heritage Glen Golf Club** sits in the heart of Michigan's wine country. This player friendly course provides two different settings in which to enjoy an 18-hole round of golf. Certain holes weave through thick stately pine forests while other parts of the course have a Scottish links feel.

Playing at 6,630 yards from the back tees, Heritage Glen is located 12 miles west of Kalamazoo just north of Interstate 94. It's an easy drive from major cities such as Chicago, Detroit and Indianapolis. Come experience one of Michigan's finest golf courses!
