It's not all about the golf. Okay, well maybe it is. So we're the closest hotel to the all new Harbor Shores Golf Course, and minutes away from many of the other fantastic courses.

Hungry after 18 holes? Walk out our door and find yourself surrounded by the many enticing eateries of beautiful downtown Saint Joseph. Afterwards, walk down to the sugar sand beach and thrill to an unforgettable Lake Michigan sunset.

You'll find your 19th hole at Buoy's, our bar. Unwind in our pool and hot tub, and get a great night's sleep on our fantastic new mattresses. Then our hearty breakfast will have you ready for your next 18!
